

Welcome to Math 1

We are so excited to work with you this year as you become experts in problem solving through exposure to the Math 1 curriculum. We promise to challenge, support, and respect you. If we work together, we know that everyone can be successful!

SMART Lunch Tutorials:

Tuesday (A half) & Thursday (B half)

Quarter Grade
5% Student Engagement
10% Homework
10% Classwork/Warm-Ups
25% Quizzes
50% Tests

Semester Grade
37.5% Quarter 1
37.5% Quarter 2
25% EOC

WCPSS Grade Scale

A	90-100
B	80-89
C	70-79
D	60-69
F	0-59

PCHS Expectations & Extensions for Math 1 Class

1. Be present & on time

- You are late if the bell has finished ringing and you're not through the door – please sign the sheet by the door and hand any notes to your teacher before proceeding to your seat.
- If you have to miss class, get a note from attendance and get your make-up work from the folders and/or Canvas.
- If you must leave class, ask permission.

2. Be prepared for and engaged in learning.

- Write down everything that's written at the front of the room – unless you're told not to.
- Allow everyone to get the most out of instruction by staying silent while it's being given.
- Give everyone an opportunity to share their brilliance by raising your hand to share and waiting to be called on.
- All grooming and eating should take place outside of class.
- Use electronic devices for instructional purposes only in the classroom.

3. Be a person of character.

- Exhibit a positive attitude ☺
- Use appropriate, respectful language.
- Put things where they belong when finished with them.
- If you're asked to do something, trust that it's for your own good and do it the first time without argument.

4. Be safe and comply with PCHS & WCPSS policies.

- Keep chairs, desks and feet on the floor.
- Pass, place, or keep things where they belong – don't throw.

Materials

- ❑ Composition Notebook
- ❑ Pencils for completing work
- ❑ Graphing Calculator: TI-83, TI-84, or TI-Nspire with TI-84 face plate (school calculators must be kept at school!)

Policies & Procedures

Warm-Ups for a week can be completed on the Warm Up sheet provided to you. The sheet will be collected at the end of two weeks and then be recorded as a weekly classwork grade in **PowerSchools**.

Student Engagement opportunities will be available throughout the quarter. You will receive a student engagement sheet to keep track of your points. Ways to earn points will be by attending Smart Lunch, making test corrections, classwork (when announced), and review activities.

You will be assigned **Homework** each Friday and it will be due the following Friday. The assignments will be available on **CANVAS**. Your homework will be graded for accuracy and be recorded as a weekly homework grade in PowerSchools.

There will be at least one **QUIZ** per unit. Each quiz will be corrected during that same class period so that you can go back and try those missed problems again.

One **TEST** will be given per unit. At least a portion of each test will be short answer and the rest will be multiple choice. This is to prepare you for your final exam in at the end of the semester.

If you miss a quiz or test, you will be expected to take it **within 3 days of returning to school**.

All assignments from class should be made up when you return if not sooner. You will find notes on **CANVAS** and your missing assignments/notes will be available in the classroom. Please follow WCPSS make-up policy. All make-up work must be completed one week prior to the end of the quarter to guarantee accurate grades on report cards.
